

GREETER

May I help you?

@ProvPacRI

"CASTING CALL" FOR STUDENTS AGED 15 - 18; BECOME A GREETER AT PPAC THIS SEASON!

PPAC invites high school students between the ages of 15 - 18 to join the Greeter Program.

What do greeters do?

New greeters must attend an orientation session prior to the season opening which will include a PPAC tour and/ or other information about the theatre and details about the program.

Greeters welcome patrons to the theatre for all Taco/The White Family Foundation Broadway Series shows for the 2023/ 2024 Season, and assist theatre-goers by answering questions and/ or sharing special information as needed at their assigned performances.

What do greeters receive?

1. The chance to take responsibility and make a commitment to the Greeter program while learning about the Broadway touring shows presented at PPAC.
2. The opportunity to enhance social skills while welcoming and assisting audience members in person.
3. The opportunity to watch most of these fantastic shows live on stage!
4. The opportunity to earn community service hours (please make arrangements with Caitlyn at the start of the season) and/ or to receive recommendations.
5. Option to renew participation in the program each season through age 18.

I am interested in being a: ☐ Greeter (15-18 only) ☐ Greeter Coordinator

Name: _____

Address: _____

City: _____ State: _____ Zip: _____
