

GREETER

May I help you?

f i t @ProvPacRI

“CASTING CALL” FOR STUDENTS AGED 15 - 18; Join Our High School Greeter Program!

Inquire about earning community service hours through this program.

What do greeters do?

New greeters **must** attend an orientation session prior to the season opening which will include a PPAC tour and/or other information about the theatre and details about the program.

As a greeter, you will welcome patrons and answer their questions about the theatre.
Greeters volunteer at shows in our **Taco and The White Family Foundation Broadway Series.**

What do greeters receive?

1. The chance to take responsibility and make a commitment to the Greeter Program while learning about the Broadway touring shows presented at PPAC.
2. The opportunity to enhance social skills while welcoming and assisting audience members in person.
3. The opportunity to watch most of these fantastic shows live on stage!
4. Option to renew participation in the program each season through age 18.
