

ABOUT THE OCEAN STATE STAR AWARDS

The Providence Performing Arts Center Ocean State Star Awards celebrates the achievements of area high school teachers, designers, and students involved in high school musical theatre programs. To participate, schools register to have their musical theatre production reviewed by a qualified team of adjudicators who provide directors with valuable written feedback. During the spring of each review period, the Providence Performing Arts Center hosts an award showcase to recognize the outstanding achievements of high school musical theatre productions and students. Modeled after the Tony Awards®, the showcase features outstanding performances from participating high school students and celebrates their enthusiasm, dedication, and talent while encouraging participating schools to grow and continue improving their programs.

The Ocean State Star Awards program provides participants with additional opportunities through the touring Broadway shows that come through our venue, student ticket packages for touring Broadway performances, awards for artistic excellence in performance and technical theatre/design, feedback from industry professionals, opportunities to learn about non-performance careers in the arts, tours, performance training workshops, and much more. To learn more about the Ocean State Star Awards visit

www.ppacri.org/oceanstatesstarawards.

Our panel of judges selects one male and one female Ocean State Star Awards winner to represent the state of Rhode Island in the National High School Musical Theatre Awards® competition held in New York City at the end of June 2023. The selected students receive roundtrip travel accommodations, room, and board, as they move on to participate in The Jimmy Awards®. In addition to competing for the national title, each student spends a week with Broadway professionals, producers, directors, and casting agents to further their knowledge and talent.

However, you can submit two applications and double the payment if you would like to have both casts adjudicated and considered for awards.

ADJUDICATION

Adjudicators will be responsible for evaluating how each high school musical theatre production is meeting or exceeding its potential. **Each production is evaluated against itself for consideration, rather than against all other school productions, encouraging schools to create the best possible work for their unique circumstances and environment.**

ADJUDICATOR QUALIFICATIONS

The Providence Performing Arts Center selects up to 40 performing arts professionals with backgrounds in music, theater, dance, design, and related fields to serve as adjudicators for the Ocean State Star Awards. A list of these adjudicators will be available at www.ppacri.org/oceanstatestarawards.

PRODUCTION ATTENDANCE

The Providence Performing Arts Center team will contact schools to confirm which performances adjudicators will attend. You must list all public performances for our team of adjudicators to choose from for adjudication. Once your adjudication dates are confirmed, plan on reserving up to two complimentary tickets and programs per adjudicator under the name "PPAC Adjudicator". Please note that the three adjudicators assigned to your production may not attend the same performance. Adjudications consist of the following:

FEEDBACK

Directors receive detailed feedback on various elements of their high school musical theatre productions. The Providence Performing Arts Center education team will email adjudicator feedback to the primary contact teacher approximately three weeks after the production has been evaluated.

SCORING

In order to designate awards for artistic excellence, adjudicators score high school musical theatre productions on a variety of elements. Once the final production has been evaluated, adjudicators meet in a roundtable setting to review the final scores and designate awards.

BUDGET CONSIDERATION

Each school's budget will be taken into consideration when scoring. We have two tiers for scoring:

- Tier 1 Schools: \$10,000 and above
- Tier 2 Schools: \$9,999 and below

CONFIDENTIALITY

Feedback and scoring will be submitted through a secure online form. Please note that at this time adjudicators will not provide oral critiques following the performance, nor should schools expect to receive scores verbally. Adjudicators must not discuss their opinions, evaluations, scores, or feedback with anyone, in any format. This includes faculty, staff or students from participating high schools, other adjudicators, colleagues, reviewers, social media networks, etc. Please do not contact adjudicators with questions. All inquiries should be directed to the Providence Performing Arts Center education team.

NOTE: Please make an effort to professionally film your production, both for archival purposes and in the event that a crisis/emergency prevents adjudicators from being able to physically attend their scheduled performance(s), they will be able to provide feedback and scoring based on the recording.

A NOTE ON TIME COMMITMENT

The Providence Performing Arts Center knows that many hours of hard work go into preparing a high school musical theatre production. One of the goals of the program is to provide visibility for the work that is being produced in our community. During the school year, there is little additional time commitment from directors/teachers other than communicating pertinent information. However, if your show or student(s) are selected to receive an Ocean State Star Award, it may require an additional time commitment for brush-up and/or staging rehearsals in addition to the showcase performance.
