

## **RHODE ISLAND SUMMER ARTS PROGRAMS/CAMPS**

Scholarship winners are responsible for selecting and applying to the program or camp they want to attend. Our primary criteria is that the program be focused primarily on the arts. Payment of scholarship funds will be made directly to the program or camp. A certain level of achievement or pre-requisites may be required, and detailed information can be obtained from the program. While these are programs that have offered opportunities in the past, you will need to check with each to see what they are offering this summer. You may participate in programs not on this list, and we would just need to approve your choice. ***PLEASE NOTE: the title of each program is typically a link to their website.***
