

RHODE ISLAND SUMMER ARTS PROGRAMS/CAMPS

Scholarship winners are responsible for selecting and applying to the program or camp they want to attend. Scholarship funds will be applied only to programs/camps that take place between May and August 2020 and are focused on one or more artistic disciplines, not simply offering the arts as an ancillary activity. Payment of scholarship funds will be made directly to the program or camp, not to the student. A certain level of achievement or pre-requisites may be required, and detailed information should be obtained from the program before applying. The following are some Rhode Island organizations offering appropriate programs or camps. Selection is not limited to this list; however, the Committee reserves the right to approve or disapprove any organization.
